

IT IS OUR HEART & DESIRE ...

to get as many of these HOPE PLAYERS out to shut-in seniors as we can, but we need your help. Our cost is approximately \$45 a player - that includes package and shipping costs. Would you prayerfully consider partnering with us during this season? You could even sponsor one senior, one senior home or hospice center.

One Senior Recipient - \$45.00
One Senior Home or Hospice Center (10-20 units to share)
\$450-\$900 Donation

Your donation will go ENTIRELY towards the purchase and distribution of the Hope Players.

NOW IS THE TIME TO REACH OUT TO OUR ELDERLY

Imagine if you will ...

You are alone in a small studio apartment, or a room even smaller. Food is brought to you. No social media. No computer. No smart phone. No family that can visit you. No meaningful conversations. No hug! No touch! You can't drive to a grocery store, or a pharmacy or a bank or a park. You have been alone for over a month, 24/7, and it will most likely be longer.

You're lonely. You're hurting. You're feeling unloved.

YOU are our elderly right now! Many are facing exactly that and more. They are lonely, fearful, and many are without hope.

We are here to help them! Would you join us?

320 Ministries has been distributing HOPE PLAYERS to as many seniors as we can during this pandemic. The HOPE PLAYER is an easy to use audio device containing some of the best gospel hymns of all times. Songs they grew up listening to. It has brought comfort, peace and joy to many of our elderly already. It's companion, the soon to be released HOPE PLAYER 2, contains a series of inspirational messages from pastors, ministry leaders, and laypersons – messages that were made especially for seniors. It is a timely word to encourage, uplift, and give them hope for the days ahead.

Thank you for caring for our elderly!
